Continuing Controversy

Dear XL Girls,

You asked readers to comment on G.H.'s letter in *XL Girls* #101, where he said some of your models are too big.

I actually cannot understand his point of view, especially since your other wonderful monthly publication, *Voluptuous*, covers his idea of the perfect woman.

I always thought *XL Girls* was supposed to be a magazine that focuses on truly big women. I mean, isn't that why it's called *XL Girls*?

So please continue to provide us

with these wonderful, heavy plumpers. As long as they're stunningly beautiful like Evzenie, Trixie, Tracy, Sasha, Angel, Devin Taylor and Skyler (*XL Girls* #41) or the strongly missed Pele (*XL Girls* #35), why shouldn't they weigh more than 200 pounds? I know that the above-mentioned women do not all belong to the club, and, of course, it's a matter of height as well. Small girls can't be expected to buck the 200-pound barrier. But count my vote for bigger, better models.—C.W., Cologne, Germany

Reader C.W. goes for jumbo lovin' from super-sizers like (clockwise from top) Evzenie, Trixie and Skyler.

Would you kick Taylor Stevens out of bed for eating crackers? Reader H.N. wouldn't!

Another Reader Weighs In

Dear XL Girls,

Let me be one more *XL Girls* reader to reply to G.H.'s complaint about the mag having too many 200-pound models by saying, "Dude, the bone is for the dog, the meat is for the man!"

If I understand G.H., he likes his women curvy. Yeah, well, so do I. But one guy's brick shithouse is another man's Ally McBeal. Take, for example, a borderline BBW like Cherry Brady (*XL Girls* #101). Don't get me wrong, Cherry is incredibly hot, but I prefer a well-built babe like Taylor Stevens, who outweighs Cherry by more than 30 pounds.

And mammoth mamas like Sasha and Sweetie...damn! I guess what I'm saying is that we all have different tastes, G.H., and I won't ask *XL Girls* to force-feed any of their models if you won't insist on them dieting.—H.N., New York, New York

Dear H.N., Thanks for "Weighing In" on the on-going debate about the size of the beautiful women in *XL Girls*. We welcome comments from both sides of the debate.

Hot Body Shots

Dear *XL Girls*,

You guys are putting out the best products—hands down—from videos and magazines to websites. I have a few comments on things I noticed that I (and other fans) might like to see.

1. Never stop the full-body shots, especially when the model's wearing heels. They make the legs look so much better, as I'm sure you know.

2. In the videos, stop leaving the shirt around the mid-section. We want to see the whole package.

3. More Samantha (*XL Girls* #95). It's official: She is one of the greatest (if not the greatest) plumpers of all time. I think she deserves her own video. I got it all planned out in three scenes.

1. A solo masturbation scene.

2. A girl-girl with Kim Eternity.

3. A boy-girl scene.

That would be a bestseller!—S., email address withheld

Dear S.: None of us can get enough of sexy Samantha. She doesn't yet have her own video, but she appears in several other videos, including the XXX-rated *XL Xtra* #1. She was so smokin' hot in that one, we brought her back for the down 'n' even dirtier *XL Xtra* #3, in which she mounts some man meat in multiple positions. You can order both on page 19 of this issue.

If You Knew Susie

Dear *XL Girls*,

I love all your girls. They're all beautiful, bigger women, which I find very sexy, but, oh my God, Susie Wilden (*XL Girls* #92 and #107) is the absolute sexiest. What a beautiful, full-

figured girl. I truly love the big girls, and the hottest parts of them, for me, are the thighs, legs and ass. Nothing is sexier than a big girl's thighs, legs, and ass. And Susie's are the best ever. Please keep those kinds of pictures cumming.—J.C., email address withheld

Back-Door Man

Dear *XL Girls*,

I have two words to say to you: more ass! You definitely have the titty thing down pat, but I am more of a butt guy, and nothing is hotter than a plump, sweet, juicy ass poking up at me from your pages. My favorite thing in your whole mag is the ass shots. Just check out Gillian's ripe full moon in *XL Girls* #107. I keep going back and jacking to that picture time and time again. I love the big boobies, but I'd sacrifice some titty for a bigger heaping helping of booty.—B.T., Milwaukee, Wisconsin

Dear B.T., This must be your lucky day. Check out page 12, "Lookin' at Some Tush: The Best of *XL Girls* Rear Views." It's a six-page ass-travaganza. But what about the rest of you BBW lovers? Do you agree with B.T. and want us to amp up the butt shots? Or do titty pictures float your boat? Maybe you think our mix is perfect the way it is. Let us know!

Thanks For The Mammary

Dear *XL Girls*,

Long-time reader, first-time writer because your pictures and interview with newcomer Sadie Brooke (*XL Girls* #107) sent me over the edge. I kept looking at her photos and freaking out, thinking, *Damn, she reminds me of someone*. Then, when she said she was in the National Guard, a light bulb went off in my head. She is totally like this chick Theresa I went through basic training with back during the Beruit conflict.

Theresa was a beautiful, big girl, too, with curves that made a man know exactly what he was fighting for. Just like Sadie, she strapped her mammoth tits down real good, but there was no hiding 'em. She filled out a uniform like no one I'd ever seen before.

Anyway, we were both EMTs for the Army, assigned to drive ambulances. You know how much room there is in the back of

an ambulance? Plenty, pal, and I made good use of it one day when we were out in the field training.

We usually didn't have a lot to do while sitting out there unless some rube was stupid enough to fall on his rifle and cap his own ass. So me and Theresa used to shoot the shit. I was a single guy back then, but she had a husband back at home, and she missed him, so I never really put the moves on her.

But shit happens when you're lonely, and this one day, we were just sitting there talking when, all of a sudden, Theresa took my hand and put it down the front of her shirt, stuffing it under her bra so I got a huge handful of her sweater meat.

I never felt anything so amazing in my entire life. Soft, silky tit flesh, more than I could wrap my fingers around. She got a wicked look in her eye and scrambled into the back of the ambulance, and you better believe I followed her real quick.

By the time I'd hopped over the seat, Theresa had her uniform unbuttoned and was reaching for her bra. But I made a quick grab for it myself. See, that was the first time I was with so much woman, and I was dying to release those puppies all by myself.

I guess most *XL Girls* readers will know exactly what I'm talking about when I tell you the boob explosion that erupted when I unhooked her bra was spectacular. I buried my face between her mountainous mounds and happily smothered myself with her tits. Then things went from good to better.

Theresa slipped out of her fatigues and her underwear and planted my hands on her ample ass. Wow! I felt completely surrounded by soft, sweet female flesh. At the same time, she reached down and unzipped my pants, letting my little soldier out to stand at full attention.

She started to get on her knees to suck my cock, but no way! I've had plenty of great blow jobs, and I'm not saying she might not have given me another one, but this was my chance to really plow acres and acres of woman, and I wasn't going to miss it.

We kind of tumbled down on the floor (no way the cot used to transport patients would have supported our combined weight), and Theresa got on her knees in front of me, her sexy, dimpled ass just waving an invitation. I

plunged right in between her legs. I never penetrated a pussy so easily in my life. My dick just slipped inside her sugar walls and started pumping like it had a mind of its own.

Un-fucking-believable! She rock-and-rolled her ass up against me like there was an earthquake going on. The coolest thing was reaching down and grabbing her swinging tits, which filled my hand to overflowing.

I was getting ready to turn Theresa over and titty-fuck her when the radio started squawking. Some bumblefuck shot one of his squad members in the foot, and we were supposed to drive over to their quadrant, pronto. But there was no way I could stop right then. I was too close to popping a nut.

Theresa was a pretty obedient soldier, so she started humping back at me at double time, and it didn't take long for me to pull out and spew baby batter all over her full-moon cheeks. Then I quickly zipped up and scrambled into the driver's seat while she did her best to get back into uniform while I drove like a bat out of hell to pick up the wounded recruit.

We never really got caught or formally reprimanded for what happened that day. At least, no one said anything. But something must have been up because the next week, Theresa was

transferred to another unit, and I never saw her again. She sure gave me a taste for lovely, large ladies, though, that lasts to this day. And thanks, *XL Girls*, for bringing back those memories.-E.S., Waterford, New York

curves. I just picked-up *XL Girls* #101 and have some comments. Taylor Stevens is a future legend. Also, I totally love Anastasia as a blond.

I've got an amazing idea for a video: Anastasia, Sasha (*XL Girls* #101), Trixie and Claire (*XL Girls* #95) in a future *XL Girls Home Alone* video. But even if you can't swing that, I still think you do a great job with the mags and videos.—P.L., email address withheld

Dear P.L., All those models would be excellent additions to our XL Girls Home Alone video series. We'll keep that in mind! In the meantime, why don't you keep yourself busy with our latest video, XL Xtra #4. If you need some convincing, check out the preview in this issue's XXX section (International edition only).

More Devin Hotness!

Dear *XL Girls*,

Let me be the first to cast a vote for Devin Taylor for your first-ever 2004 *XL Girls* Model of the Year Contest (*XL Girls* #107). Devin is everything a guy could want. She has a movie-star-style body, only supersized for us guys who love huge jugs and a big ass. Devin, in my mind, is the best model you've found in a long time. I cannot wait to see more of her hotness. Share more of her with the rest of the world. Devin rules!—B.H., Santa Fe, New Mexico

Taylor: Boner-ific!

Dear *XL Girls*,

You need to get more Taylor Stevens, and you need to name her the Model

of the Year. I'm sure voting for her. Her layout in *XL Girls* #101 was completely boner-rific! I think she's the sexiest newcomer you've ever featured, and you must get her back to do more, more, more! She is super hot and super sexy. So please, ask her back to do more, especially more and longer videos. Beg if you have to.—A.R., Chicago, Illinois

Kerry Marie keeps it up

Dear *XL Girls*,

This has to be Kerry Marie's time to win your Model of the Year contest. She's my pick. She is so hot and sexy, I can't stop thinking about her, much less stop cranking while looking at her. And even if she doesn't win, keep putting her in the magazine. If this is possible, it will be awesome. Thank you.—B.C., Washington, D.C.

Inesse's boobs knocker him speechless!

Dear *XL Girls*,

Yes, once again you show a super-trooper girl! Her name is Inesse (*XL Girls* #92), and she must be the most perfect lady I have ever seen. No contest, she is your 2004 Model of the Year. Where do you find these giant goddesses? Her looks kill. Her boobs?

No words coming out of my mouth. I'm glad there's so much of her to love, but I want much more of Inesse. Lots, lots more!—J.L., Oslo, Norway

Laura Bailey, ideal woman

Dear *XL Girls*,

I am a huge fan of Laura Bailey. Thanks for featuring her in your last issue (*XL Girls* #107). I consider her a shoe-in for your Model of the Year contest. But I have a modest request that she appear more often. She is one-in-a-million and is every man's ideal. Her full figure and approachable manner make her the ultimate woman, at least in my book.

Please set up more photo sessions with her and pass it on to us lucky, lucky fans, who I'm sure will join me in voting for her in droves.

I would also suggest having her appear in more DVD features or a full-length DVD of her own. Please, convince her to agree. Her legions of fans would be forever grateful. Laura, you are the greatest! Be proud of who you are and how fabulous you look. That's the absolute truth, and every honest man knows it. Keep up the excellent work.—P.H., email address withheld

Dear P.H., J.L., B.C., A.R. and B.H.: Rest assured, your votes have been counted. The race is on, and the competition is hot for the 2004 XL Girls Model of the Year. Your official ballot is in XL Girls #107 and can be ordered on page 10—no write-ins allowed, though you can submit a photocopy—and entries must be received by January 31, 2005. You can also email votes to letters@XLGirls.com. The winner will be announced in XL Girls SCORE Special #113, on sale April 12, 2005. Are you gonna let your favorite girl lose out on this honor because of your lazy ass? Get out and vote!

Large Lady's Choice

Dear *XL Girls*,

I am a big, beautiful woman, and I love your magazine. For years, I starved myself until I

was sick, trying to get down to "model size." I felt fat and unattractive. But your magazine helped me realize that there are plenty of gorgeous big girls out there just like me who are real hotties who love sex. I buy every issue of *XL Girls* for my husband, and I'm proud to do it, though the first few times, I felt funny bringing it up to the cash register. But now, the counter guy winks at me when I buy one, like he knows there's gonna be a hot time at my house that night. He's always right—L.R., email address withheld.

A Thinking Man's Critique

Dear *XL Girls*,

I'd like to "Weigh In" on the pictorials in your last issue, #107. First of all, I bet I'm not the only one who was happy to see the incomparable Laura Bailey open the festivities. The only thing that sucks about Laura is that she lives in London, so there's no chance I'll ever meet her. Oh well, at least I've got her all to myself in your magazine.

Next up was Nikki Santana, who I can't believe is a porn star. She looks just like the girl behind the counter at my local bakery. Needless to say, there's more than bread rising every time I see her, and now that I've got those pictures in my head of Nikki spreading her fine ass cheeks, I don't know if I'll be able to go back to that bakery again without popping a boner.

Then there's elementary school teacher Susan, who had me singing *Hot for Teacher* for a week after I jacked to her pictures. Where the hell were teachers like that when I was in school? I hope her PTA never finds out what she did so she can keep her day job while continuing to visit me every night in my wet dreams.

I like it when you interview the girls, especially when they are as hot and horny as your brunette newcomer Sadie Brook. Wow! So she likes guys sucking on her nipples, huh? Where does the line start?

I bet I'm not the only guy whose favorite section is the *XL Girls Xtra* pages. The next best thing to having a plumper right in my bed is seeing them getting plugged in your magazine. Lenka looked like she really loved getting fucked, and she could probably suck the chrome off my tailpipe.

I didn't think it could get any better

than that until I turned the page and saw Frenchie. Dang, that is a whole lot of woman right there. I especially like the tit-fucking shot. You should make sure you have at least one of them in every issue. After all, that's one of the best thing about big boobies. In my book, anyway.

And no shit, that's only half-way through the whole mag. I know this is long, but I hope you'll print it because I think that was one of your best issues ever. I mean, shit, eight pages of Susie Wilden in cowboy boots playing with a dildo and anal beads?

Which brings me to your Model of the Year contest. What a decision! But I think you stacked the deck a little, putting that wicked-hot Susie pictorial right before the ballot. It's so hard to get her out of my mind, I'll vote for her.

Your last three girls did not disappoint, either. Emage is the epitome of a big, beautiful black woman. Your XXXL girl, Radka, is a blonde bombshell. I love the way she starts off in a really tight dress that hugs every inch of her plush body before she gets totally naked and exposed.

And, as always, you save one of the best for last. Miranda is a brunette beauty who is absolutely perfect. Believe me, I looked long and hard, time and time again, to find a defect with Miranda, and there is not one single thing wrong with that woman.

Thanks for listening to me, and keep giving all these hot and large ladies all the attention that they deserve.—G.B., Cleveland, Ohio.

Weighing Out

Dear XL Girls,

Why do you waste so many pages on reader's letters? You could easily put another girl in the same place. I'd rather see more naked ladies than read letters any day.—J.H., Memphis, Tennessee

Dear J.H., We provide this forum for fans to tell us what they like, don't like, want to see, etc. G.H. in XL Girls #101 sparked a controversy about the size of our models that is still raging three issues later. Besides, the rest of the issue is packed with more bodacious babes than any other magazine in the world. We'd like to hear what other readers think. How about it guys? Is "Weighing In" in...or out?

**A busty blonde beauty who
wants you to slap her ass.**

Texan gal Kaitlin insists she's a "square. I dress like the girl-next-door," she confesses. But she knows the power her bountiful booty wields, even covered up with tight jeans. You may want to check out her blue eyes and strawberry blonde hair. But forget that. Just keep your eyes on her fine behind.

Kaitlin

**"I LOVE TO HAVE MY ASS
SMACKED WHEN I'M
fuckinG. Ride ME,
cowboy."**

That's not all Kaitlin confessed to enjoying. She's a BBW with a more-than-healthy rear who is also lucky enough to have been blessed with remarkably sensitive nipples. "I love to have my breasts sucked on," she purred. "My favorite position is riding a guy while he's got my boobs in his mouth." Second favorite? Doggie style. "Guys say they like the view," she said. Looking at Kaitlin's ass is like looking at a national treasure. Getting to fuck Katlin from behind while looking at that ass? That's heaven! "And I love it when they smack my ass while we're fucking," Kaitlin adds. "Ride me, cowboy!" Saddle up, fellas. It's gonna be a long, long, wild ride across Kaitlin's wide open plains.

"My sex fantasy is to get it on with a girl while a bunch of guys watch."

For a small-town girl, Kaitlin's mighty open-minded. Her kinkiest fuckfest to date was at her place with a man and a woman. "That night, I put on my tightest jeans and smallest top and went out huntin' for love," she said. "But the fella I set my eye on was with another gal. It turned out she wasn't jealous about me hitting on her man. Not at all! She set it up so he could snag a mama who would do them both, and I was more than up for it, even though that was the first time I'd ever been with a woman. He ended up fucking me from behind while I ate her pussy. I sure liked it, though." While Kaitlin hasn't had a chance to do any more carpet munching, she knows just how she wants her next girl-girl gig to go down. "I'd love to be doing 69 with a big-titted brunette, surrounded by a circle of men watching us and jerking off. How hot would that be?" We'll leave it up to all you readers to answer that loaded question!

Samantha Kay

*"My very first gang bang was a modest **eight** people!"*

By Dave Rosenbaum

This All-American big beauty's appetite for sex is even bigger than her boobs.

Big and beautiful Samantha Kay seldom meets a cock she doesn't like. Or a pussy, for that matter. Her wholesome, sweet face might say girl-next-door, but behind those soft brown eyes lurks a raging, happy nymphomaniac. And Samantha is the first one to admit it.

On her website, Samantha46DD.com, she calls herself, "the youngest and hottest monster-dildo slut on the world wide web." Obviously, she also believes in truth in advertising, since her smile is biggest when she has a huge sex toy stuffed into one of her holes. But take heart, guys. Samantha also says that her kind of man has "a hairy chest, husky build and an average-size dick."

But it's not just a plastic penis that rocks this pretty plumper's world. Samantha is the kind of girl who likes to party...if that party is a sex orgy with dozens of guys creaming all over her ample curves. The doe-eyed, 5'5", 185 pounder—who measures a curvy 46-32-38—is into gang bangs, swinging, multiple-finger fucking, flashing, cunt licking, dick sucking and more dirty sex than you can shake your dick at.

And she likes talking about it. Which you're about to learn first-hand.

XL Girls: Samantha Kay, welcome to XL Girls and your first-ever adult magazine layout. Now, you're a nice Mid-Western girl, aren't you?

SAMANTHA: I was born in Ohio and I've lived in West Virginia, but now I live in Pittsburgh.

XL Girls: Do you do anything besides work on your website?

SAMANTHA: I'm a chat host on Ifriends, a secure webcam where I fuck dildos and dance, and people pay per minute.

XL Girls: Before you got into adult entertainment, what were you doing?

SAMANTHA: I am a professional chef. I'm a certified working chef. I worked in restaurants for seven years.

XL Girls: I guess there are two ways to a man's heart—through his stomach and through his dick—and you've got them

both down. What kind of food did you cook when you were a chef?

SAMANTHA: I've actually worked in four-star restaurants. I've worked in really swanky places, and I've worked at Bennigan's.

XL Girls: How does a pro chef like you go from cooking to porn?

SAMANTHA: It started out because me and my husband are swingers. Basically, we sold personal little swinger videos on a Yahoo group that became really popular. Then, I opened up a website, and that was it.

XL Girls: Was this something that you had thought about doing before, or did it take you by complete surprise?

SAMANTHA: It was by surprise! We started swinging about four years after being together. I liked it.

XL Girls: Now, by swinging, what do you mean? I know there are lots of different types of swinging.

SAMANTHA: Oh, we're full swingers, we're not soft swingers. I do girls and

*"I've been
horny since
the moment I lost
my virginity."*

guys. I do gang bangs. I've been to clubs, conventions, motel parties, house parties, you name it.

XL Girls: So, you and your husband don't have to be in the same room at the same time with the same person?

SAMANTHA: We don't even have to be at the same party!

XL Girls: How about the same state?

SAMANTHA: No, we don't have to.

XL Girls: The same country?

SAMANTHA: [Laughs] Well, I've only been to Canada, and I didn't do any swinging there.

XL Girls: Did your husband get you into swinging or were you always interested in it?

SAMANTHA: I've always been bi, but I never got the chance to do a girl. We started posting (in the Yahoo group) photos of me and my husband fucking, and a swinger group got a hold of us.

We talked about swinging, and we decided that we were going to do it where I could just touch a girl. No guys could touch me. So we went to the party, and everyone was like, "Oh my God, Samantha's never done a girl!" And five girls jumped on me at once!

XL Girls: This was at a house?

SAMANTHA: Yeah, a house party. And I got ambushed.

XL Girls: You were fresh meat.

SAMANTHA: Oh, yeah! I was about 22 and fresh as could be.

XL Girls: How old are you now?

SAMANTHA: I'm 27. And then on the ride home, my husband and I were talking about how everyone else was doing far more than we were. So we decided that at the next party, we would be full swingers.

XL Girls: While you were sitting on the couch and all this swinging was going on, was it turning you on?

SAMANTHA: Totally. I couldn't wait for the next party. And I got the chance to be with lots of other girls of all sizes and ages. I have a 19-year-old girlfriend right now who I play with regularly.

XL Girls: Have you always been really into sex?

SAMANTHA: Yes. I've been horny since the moment I lost my virginity. The first time I did it, it wasn't great. It was awkward and uncomfortable. But the second time I had sex, it was great! I would say that by the time I was 19, I'd done about 56 guys.

XL Girls: That's a lot. Did you get a reputation for being easy?

SAMANTHA: I sure did.

XL Girls: And you knew it?

SAMANTHA: Yeah, and I didn't care. In fact, I had a competition with two of my friends to see which one of us could fuck the most virgins.

XL Girls: When you were racking up 56 guys, were you into the fucking, or were you doing it just for the numbers?

SAMANTHA: I was into the numbers. I wanted to fuck as many guys as possible. Be a slut and let everybody know it.

XL Girls: Who won this virginity-taking competition you're talking about?

SAMANTHA: My friend Lisa did. But only by about five more than me.

XL Girls: You're a double-D cup?

SAMANTHA: I wear a 44 double-D bra but my measurement is 46 double-D.

XL Girls: Do you have to wear custom-made bras?

SAMANTHA: No, I can just go to the store and buy them. I love to shop.

XL Girls: How old were you when you became a D-cup?

SAMANTHA: I was a double-D by the time I was in sixth grade. I started growing my boobs by third grade.

XL Girls: So you were always getting a lot of attention, and it's never been hard for you to attract guys, has it?

SAMANTHA: No. In high school, I had the biggest boobs in school.

XL Girls: Now, that whole reputation thing. You say you liked it. What did the other girls say about you?

SAMANTHA: It was the guys more than the girls. I got accused a lot of stuffing my bra, but I never did. I flashed my tits once in a science class to prove that I didn't stuff, and I got suspended.

XL Girls: What happened?

SAMANTHA: Somebody was harassing me about stuffing my bra, and I had enough of it. I pulled my shirt to the side so they could see some tit flesh and then they all knew! I got suspended, but I didn't get harassed anymore, so it was totally worth it.

XL Girls: Were you a bad girl in school?

SAMANTHA: I was a *very* bad girl. Most definitely, I was bad.

XL Girls: Have you ever been a good girl in your life?

SAMANTHA: For a little while when I first got married. But I've always thought that it's a lot more fun to be bad than to be good, and when you have tits like mine, it's easy to be bad. A lot of men and women want to be bad with you.

XL Girls: What's the best thing about having big tits?

SAMANTHA: I think clothes look better on me. They hang better.

XL Girls: Do your tits play a big part in your sex life?

SAMANTHA: Oh, yeah. If I'm in bed with you, I want you to suck on my tits to make me cum. This may sound a little boring, but I love to do it in the missionary position so the guy can suck on my tits while he fucks me. I press my nipples close together and have the guy suck both of them while he pounds away at me really hard.

XL Girls: You don't cum if a guy goes down on you?

SAMANTHA: No. I've never liked that, and I've had a bizillion people do it. Going down on me doesn't really work, but a lot of other things do.

XL Girls: What else do you like?

SAMANTHA: The best way for me to cum is from my husband sticking at least four fingers inside of me.

XL Girls: When did you discover you liked that?

SAMANTHA: I could always handle bigger things, like big cocks, and one day,

my husband was working away at me with his fingers. You know, first one finger, then two, then three. The more he did it, the wetter I got, and the more my pussy opened right up for him. Then, he

*"I have a dildo that's 22 inches long and three inches wide. That's **big!**"*

stuck four fingers in, and the next thing I knew, he had all of his fingers inside of me. And we've been doing it ever since. And I always cum that way. Four fingers and a thumb is even better!

XL Girls: Isn't it unusual for a woman to cum from just hand penetration?

SAMANTHA: Every girl I know who does it cums.

XL Girls: Can you say what's so great about it, aside from cumming?

SAMANTHA: Well, one side of your knuckles is rubbing against my G-spot, and the other side is rubbing against my cervix, so I'm getting rubbed in two different stimulation areas at the same time.

XL Girls: So the best way to make you cum would be to stick as many fingers inside of you as possible and suck on both nipples at the same time? But aren't guys intimidated by your pussy's capacity?

SAMANTHA: Yes, but I can actually clamp down on a finger or a cock and hold it because I have better maintained muscles than most people do because I have muscle control from having to expand.

XL Girls: Because the first thing a guy thinks when a girl loves having big things inside her pussy is, "Wow, she must have a loose pussy!"

SAMANTHA: No, I'm very tight. At parties, I've proved it. Sometimes, someone will make a comment about how I must have a loose pussy, and I'll be like, "Come here; I'll show you," and I'll squeeze down on their finger and they'll be like, "Wow!"

XL Girls: Do you care if it's guys or girls doing it to you?

SAMANTHA: It's easier to do girls because they have

smaller hands. I haven't had any kids so my hips are still kind of close, so I can't do a huge guy, but I like both.

XL Girls: Your speciality is playing with super-big dildos. Let me ask a question about size. Because when a guy first hears big toys, his first thought is probably, "Samantha must only like guys with big cocks." Is that true?

SAMANTHA: No. My husband is average, about seven and a half to eight inches, and he makes me cum a lot, so size has nothing to do with it at all.

XL Girls: You have to explain this size thing because guys don't understand it.

SAMANTHA: It's a stretching sensation with a big toy or cock, which is different. Stretching is very nice, but I keep myself maintained so I can actually enjoy a smaller size more than other people because I can clamp down. I can cum with a three-inch cock because I can accommodate that size.

XL Girls: What's the biggest real cock you've ever had?

SAMANTHA: Eleven, 12 inches.

XL Girls: Was it thick or just long?

SAMANTHA: Oh, he was thick.

XL Girls: Now, we know that you have some really big dildos at home. What do you consider big?

SAMANTHA: Ooooh, I have one dildo that's 22 inches long and about three inches across. That's big! Then, I have another one that's five inches across.

XL Girls: Will you use these dildos on yourself for fun, or just on your webcam and on video?

SAMANTHA: Both! And I can cum with the stretching and the toys. Stretching is a very nice and unique sensation.

XL Girls: Would you say it's a feeling of being incredibly full?

SAMANTHA: Yes, that would be a way to say it. Full to the max.

XL Girls: So it sounds like there are several ways that you can cum: nipple stimulation and being full.

SAMANTHA: I don't squirt, though. I gush, but I don't squirt. I wish I did!

XL Girls: What about anal?

SAMANTHA: I do anal.

XL Girls: Big-cock anal?

SAMANTHA: No, normal anal. I can't do large anal. Seven inches is more than enough for me.

XL Girls: What about gang bangs?

SAMANTHA: I've done between 50 and

**AN ITALIAN DISH SO HOT,

A MAJOR HARD-ON.**

Next time you pay your grandfather a visit, ask him about Sophia Loren. Gina Lollobrigida. They were two beautiful Italian women who passed for bombshells back in grandpappy's day. But luscious Sophia clocked in at 38C-24-38 and gorgeous Gina was a mere 37-21-35. May we present the lush Christiana, a plush sex goddess from Southern Italy who represents her motherland admirably with her impressive 44-30-39 curves. Now that's what we call a bombshell! It's doubtful they made 'em like this way back when, which is just one more good reason to be grateful that you're living in the 21st century.

Favorite food: "Anything but Italian. I can cook it, but I'd rather be taken out to a nice Mexican restaurant. I love burritos!"

**"I LOVE AMERICAN MEN. I
MEET MANY WHEN THEY'RE
VACATIONING IN ITALY."**

Yeah, we'd swim across the Atlantic just to get a shot at Christiana. "I learned how to speak English from my American lovers," she said, and believe us, she can speak the language perfectly. "I like American men in my bed. But I would never move to the States. I love my home too much. And I find plenty of American men to love right here."

"I didn't tell ANYONE I WAS posing for THESE PICTURES."

But this curvy travel agent isn't worried about being seen naked in a men's magazine. "Everyone knows I'm wild," Christiana said. "Once, one of my dates dared me to jump in a fountain in a pedestrian plaza. Of course, I did it. I was wearing a white dress, and it was plastered to my body by the water. Strangers clapped when I got out!" Bravo, Christiana. Can we talk you into an encore?

FOOD O R G Y

Splodging
With
SARAH
MERCURY

Talk about having your cake and eating it, too! The legendary Sarah Mercury, usually coy while proudly displaying her all-natural I-cups, got wild right here in our studio when presented with a luscious baked treat. As dedicated *XL Girls* readers already know, this wholesome chunk of prime womanflesh from Cape Cod, Massachusetts, is generally extremely ladylike and modest, so imagine our surprise and delight when she dove boobs-first into a chocolate cake with cherries and whipped cream. As if Sarah herself wasn't sweet enough, all we could think of was eating her all up from head to toe. Anybody for dessert?

Now, there's nothing *really* kinky about getting wood over a seriously healthy honey like Sarah. But there *is* a certain group of guys who get off on women covered in food. They call their messy fun "splodging." So, if splodging is your thing and seeing super-tit queen Sarah immersed in dessert floats your boat, go for it. But we think she's so incredibly hot that no matter what she's wearing—or not—Sarah is totally do-able. Consider, for a second, that luscious ass. Covered in whipped cream or man cream, any red-blooded male would love to get in some licks. And those tits! Cover them in chocolate sauce or serve them shower fresh. Who wouldn't want to score a mouthful of nipple? "I can see why some guys get off on food," Sarah said. "I did!"

Sarah has thus far demurred from doing any hardcore, and believe us, we've begged. But the next best thing is seeing her gear up to deep throat a banana. Because it's not so great a leap of imagination to picture your own hot dog right there in her hand, just millimeters away from Sarah's eager lips. Now that would be just desserts!

Dirty Jokes

Don't tell these at home!

MISUNDERSTANDING

A small guy goes into an elevator, and when he gets in, he notices a huge dude standing next to him. The huge dude looks down upon the small guy and says in a deep voice, "Seven-foot tall, 350 pounds, 20-inch dick, three-pound left ball, three-pound right ball, Turner Brown."

The small guy faints. The big dude picks up the small guy, brings him to by slapping his face and shaking him, and asks, "What's wrong?"

The small guy says, "Excuse me, but what did you say?"

The big dude looks down and says, "Seven-foot tall, 350 pounds, 20-inch dick, three-pound left ball, three-pound right ball, my name is Turner Brown."

The small guy says, "Thank god. I thought you said, 'Turn around.'"

LOOK OUT BELOW!

A married couple has been stranded on an island for many years. One day, another man washes up on shore, and he and the wife become attracted to each other right away. But they realize they must be creative if they're going to engage in any hanky-panky. The husband, however, is very glad to see the second man there.

"Now we'll have three people doing eight-hour shifts in the watchtower, rather than two people doing 12-hour shifts," the husband says.

The newcomer is happy to help and volunteers to do the first shift. He climbs up the tower to stand watch. Soon, the husband and wife on the ground are placing stones in a circle to make a fire to cook supper. The newcomer man yells down, "Hey, down there! No screwing!" They yell back, "We're not screwing!"

A few minutes later, the husband and wife start putting driftwood into the stone circle. Again, the newcomer yells down, "Hey, no screwing!" Again they yell back, "We're not screwing!"

Later, the husband and wife are putting palm leaves on the roof of their shack to patch leaks. Once again, the newcomer yells down, "Hey, I said

no screwing!" They yell back, "We're not screwing!"

Eventually, the newcomer's shift is over, and he climbs down from the tower to be replaced by the husband. The husband isn't even halfway up before the wife and her new friend are hard at it. The husband looks down from the tower and says, "Son-of-a-gun! From up here, it does look like they're screwing."

NO PRIVACY

A man goes to his doctor and asks him how to prolong sex. The doctor tells him that masturbating before sex often helps men last longer, extending the pleasure for them and their partner.

The man decides, "What the hell, I'll try it," and spends the rest of the day thinking about where to do it.

He can't do it in his office. He thinks about the restroom, but it's too public. He considers an alley, but figures that's too unsafe. Finally, he comes up with a plan.

On his way home, he pulls his truck over on the side of the highway, gets out and crawls underneath as if he's examining the truck. Satisfied with the privacy, he undoes his pants and starts to masturbate. He closes his eyes and thinks about his lover. But as he gets closer to orgasm, he feels a tug at the bottom of his pants. Not wanting to spoil the moment, he keeps his eyes shut and says, "What?"

"This is the police," a man says. "What's going on down there?"

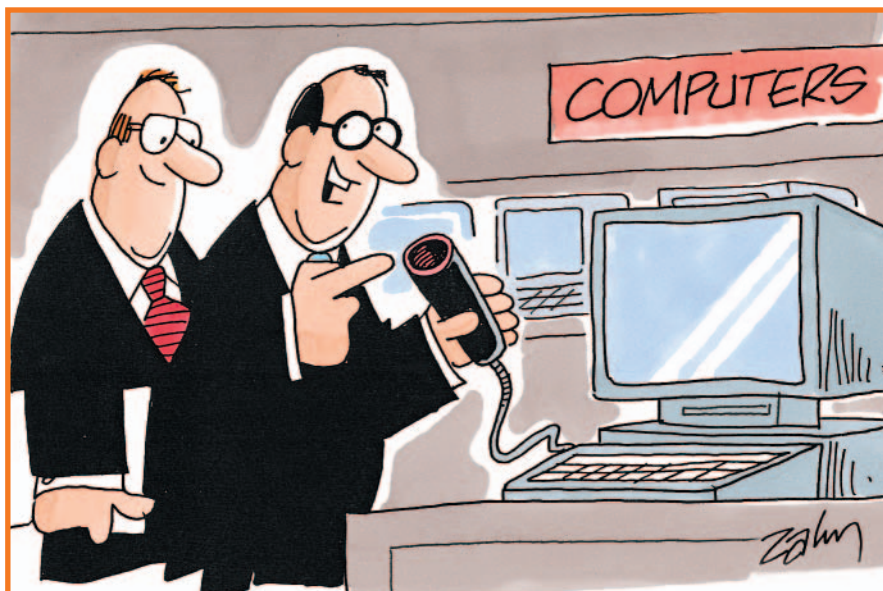

"I'm checking out the rear axle," he replies. "It's busted."

"Well, you might as well check your brakes, too, while you're down there," the cop replies, "because your truck rolled down the hill five minutes ago."

NICE PUSSY

An elderly couple meet for a romp in the broom closet at the nursing home. They undress and are about to screw, when the woman decides to warn the man about her heart condition. "I should tell you, I have acute angina," she says.

The man replies, "That's good, because you have the ugliest breasts I've ever seen!"

"And this is a great little device if you like porno on the web. You stick your penis in here..."

**Good things come in large packages...
wrapped in fishnet stockings!**

Much like Melanie Griffith in the movie *Working Girls*, Drea has a mind for business and a bod for sin. But where scrawny Melanie barely had a pair of boobs, business-woman Drea has full-figured 48-40-56 curves that are barely contained by her tight suits. "I'm pretty conservative on the outside," she said. "But underneath, I'm wild! If you look hard enough, you can tell that my professional act is hiding a real hot babe. I always wear the sexiest underwear, and I make sure that there's a hint of lace peeking out."

"I GRADUALLY GREW INTO MY body. BUT THERE WASN'T A SINGLE MOMENT WHEN I DIDN'T LOVE BEING A BIG GIRL."

Drea stands a statuesque 5'8" without heels, and she's fiercely proud of every inch of her plush frame. "I have a theory," she said. "Us big girls are way more sensuous than skinny chicks. The way I look at it, those stick insects don't like to eat, and if you don't like to eat, you don't like to fuck. Period. I mean, a big part of sex is eating, isn't it? Sucking dick, kissing pussy, licking nipples. I enjoy tasting a man as much as I enjoy a hot fudge sundae, and I *really* like hot fudge sundaes." Anyone feel like dessert? But wait, Drea's not finished. "Men always tell me they hate it when they take a woman out to dinner and she just picks at a salad. Believe me, you don't get that when you take me out. I will finish my appetizer, my dinner *and* my dessert. I won't lick the plate clean, but afterwards, I'll lick you." Single Drea goes on a lot of dates. Because another one of her philosophies is that variety is the spice of life. "I'm not looking to settle down," she says. "I'm a whole lotta woman who's got a whole lotta living to do. And a whole lotta men to screw."

Just figure out if your lusciously large lady is a Tough Tomato (a sports lovin' man's woman); a Sentimental Sweetmeat (a real girly girl); a Red-Hot Chili Pepper (a sexy mama) or a Practical Pumpkin (a homemaking kinda gal). Then lavish love on her accordingly, lie back and reap your rewards.

READ THIS FIRST!

Before you whip out your wallet in the hopes of whipping out your pecker, take note: When purchasing food gifts, be aware of any special dietary needs your potential fuck bunny might have. Never, ever buy any clothing without knowing her size. But, c'mon, you're a man. Spying for information should be easy. Steal a pair of her panties or sneak a peek at the tag on her bra. You should know how big her boobs are, anyway. How else are you accurately going to brag about them? There's no way to tell you how appreciative she'll be when you get her size right. So appreciative, she just might get down on her knees to thank you.

If you're a little squeamish about shopping for women's clothing, there's always the Internet. But bear in mind, that would deprive you of the chance to approach a sexy sales-

girl and ask for help, thereby doubling your scoring points by getting the gift just right and impressing a new woman with your efforts. In fact, the beauty behind the lingerie counter may be so impressed, she could be tempted to tempt you away so she gets some of that attention for herself. It's a win-win situation, fellas.

Now, figure out what kind of woman you've got, and let the seduction begin!

The Tough Tomato is a no-bullshit gal who doesn't flutter her eyelashes and get wet panties when you show up with roses and champagne. This broad is more likely to be impressed with a six-pack and a dozen hot wings.

CLOTHES

Her favorite team's jersey will turn her into your biggest fan. But make sure you know exactly what you're getting. If she hates Drew Bledsoe but loves the Buffalo Bills, don't get her a shirt with the quarterback's number 11 on it. And always buy her the women's jersey, not the corresponding size in a man's style. Women's clothes are cut differently, and her full figure will be better emphasized by a woman's garment. Tell her how hot she'll look wearing the jersey...and nothing else! Try your local sporting goods shop or go online to nflshop.com for pro football, shop.mlb.com for Major League Baseball, shop.nhl.com for the National Hockey League, store.nba.com for the National Basketball Association and premierleague.com for the UK's top pro soccer league.

FOOD

Since this BBW is a hot tamale, get her an assortment of exotic hot sauces. You'll be amazed by how many different varieties your local grocery store stocks. Specialty groceries also have ethnic sauces that will start a smolder in her mouth. Offer to whip her up some *huevos rancheros* with the hottest condiment you've got...the morning after, of course!

TOY

She's tough, but tender, too. Give her the option of submitting to your every whim or turn the tables and let her lasso you with a Japanese Silk Love Rope, available for just \$29.90 at adameve.com. Adam & Eve ships in discrete packages, and the site features customer reviews of many of their products. Tie her to the bedposts and make her submit, or let her turn you into her love slave and have her way with you.

DATE

Take her to a sports bar and arrange in advance to have the big-screen TV play her favorite team. Order tons of steamers and pitchers of beer. Cheer for her side, even if you hate them.

Remember, the whole point of this exercise is to get laid, not to prove how much the Los Angeles Lak-ers suck. Bet her a blow job that her favorite player can't score within the next 10 minutes. Even if you lose, you win.

If she's down to earth and considers a bouquet of flowers from a florist to be a frivolous waste of money, your lover is a Practical Pumpkin. But that doesn't mean she doesn't want to be wooed. Give her gifts that show you understand her sensible side, and she just might reveal the horny tigress that lurks beneath her calm exterior.

CLOTHES

Get her the highest, sexiest high heels that she'd never dream of buying for herself. But don't spend the rent on them. You can pick up a decent copy of a designer shoe at a discount store like Payless, which has shops everywhere.

Along with her impractical fuck-me-shoes, include the fixings for a home pedicure. Most chain drugstores sell kits for under \$15. Add a bottle of red polish and you've got a gift that's practical but will still make her feel like a super-sized sexpot. Of course, you're almost guaranteed a home run if you give her the pedicure yourself. Most women melt when a man massages their naked feet with perfumed lotion.

FOOD

Bread is the staff of life, but that's not to say it can't be indulgent. Snag a loaf of artisan bread:

fresh, crusty and fragrant. If you don't have a good local bakery, try chains like

**PRACTICAL
PUMPKIN**

RED-HOT CHILI PEPPER

Atlanta Bread Company or Panera Bread. Get some good quality olive oil, basil (dried is okay, but many supermarkets now have fresh herbs in their produce sections), fresh tomatoes and fresh mozzarella cheese. Slice the bread, tomatoes and cheese, sprinkle some of the herbs into the oil, then dip the bread into the oil, put tomato and cheese on top and feed her this classic, rustic snack. Not only will she be impressed with your ability to prepare a gourmet plate, but she will be fortified enough to fuck you all night long!

TOY

A naughty video or DVD will appeal to her practical side, since it's something she can use over and over again. With you, hopefully. To show her where your heart (and your hard-on) really lies, buy something from the super-sizzling *XL Girls* video series, like *XL Xtra #4*, which features BBWs getting fucked the way they love it. You'll both pick up some pointers...and you'll confirm to her how sexy a big woman can be.

DATE

She always has everything so well organized, the best way to surprise her is with breakfast in bed...and not on a night where you've slept over. Get to her house at the crack of dawn and wake her up with mimosas (champagne and orange juice), hot coffee, bakery fresh bagels or rolls, lox, cream cheese, and honey, which can be

dripped all over her bountiful breasts then licked off by you. Don't be surprised if you're thanked with a little morning delight.

The Red Hot Chili Pepper is an abundant beauty who loves life, including lots and lots of sex. In fact, she can be quite a handful to keep up with sometimes. But if you really want to pop her cork, play to her horny side. Feed her carnal, sensual delights, and you'll be walking bowlegged for the rest of the week.

CLOTHES

Black lingerie, of course! A good bet is a jet babydoll nightie from Torrid, a trendy clothing store for lush ladies that has 67 stores and an easily navigable website. Find it at torrid.com. The lingerie is slinky, sexy and affordable, like a black- and-pink, satin-and-lace chemise for only \$34.

FOOD

Seduce her the old-fashioned way with fresh fruit and champagne. Bubbly needn't break your budget. A bottle of Korbel can be had for around \$13, and if you garnish it with a strawberry or a peach slice, she'll never know you bought the cheap stuff.

TOY

You know this sex-crazed super siren will go into orgasmic screams of pleasure when she receives a brand-new vibrator. We recommend Doc Johnson's Jelly Cliteriffic Wet Toy, available online through somethingsexyplanet.com. It's specially designed to be used in the shower, hot tub or bath, so lather up her ample curves and have her hose down your hose.

DATE

Every town has a No-Tell Motel, a rent 'em by the hour sex palace with themed rooms and heart-shaped tubs. Usually designed for cheating spouses, they're

slightly sleazy and oh-so-naughty. Don't tell her where you're going, and put a blindfold over her eyes when she gets in the car. Make her stay outside while you check in, then lead her in and reveal your pay-by-the-hour love nest. Bring bubble bath for that bedside whirlpool bath, then run the water until the suds spill onto the carpet. For some slippery fun that is way too messy to have at home, cover the king-sized bed with a brand-new shower curtain. Douse it with baby oil, then tackle your love cushion and slip and slide into your mountainous mama all night long.

If you have a real girly girl on your hands, you're wooing a Sentimental Sweetmeat, an old-fashioned babe who believes in romance. Be her knight in shining armor, and you shouldn't have any problems scaling her love walls for a bout of fantastic fucking.

This type goes for your typical woman stuff, like flowers and candy and Hallmark Cards with pictures of puppies. Remember, the goal is to get her puppies released from her bra and her pussy purring, so be a gentleman while sweet-talking her.

CLOTHES

Your delicate deep dish would love a negligee, but don't make the mistake of buying her an obviously sexy shortie with peek-a-boo nipples. Something

SENTIMENTAL SWEET MEAT

Gina

CELEBRATE THE RETURN OF THE SUPER Body Woman

You asked for it, and you got it: Miss Gina La Montana in her third *XL Girls* appearance! You couldn't get enough of that slappable ass or those mountainous mammaries. So we begged and we pleaded—hell, we even cried—until this shy super-stacker from Illinois agreed to show it all for us once again. Was it worth the wait? You tell us. Not a lot has changed since we last saw Gina in *XL Girls* #89. She's still built like something out of a plumper-lover's dream. She still has great DD-cup tits. And this time around, we asked her to wear something she might be seen in during the course of a normal day. "I'm usually dressed down because I can't stand all the attention most of the time," she said. "If I dress down, I'm fine, but if I have anything on that's remotely tight, or if I'm walking around without a bra on, it gets nuts. I'm normally dressed in a loose shirt or something like that." What are the odds that this see-through number would cause a riot?

**"I HARDLY EVER
dress to show
off my body. For
me, revealing is a
tight tank top
and shorts."**

Thankfully, generous Gina feels she can let all her ample natural assets shine right here. Because it would be a crying shame to hide that big butt from appreciative inspection. To say nothing of her rack. "I wish I could see someone like me out in public so I could see what the big deal is," Gina said. "I don't think I'm out of the ordinary, but other people seem to." How many times do the editors here at *XL Girls* and you devoted readers have to tell Gina how extraordinary she is before she'll believe us? Well, if she keeps coming back, we'll keep telling her.

SAN DIEGO'S FINEST MAKES HER *XL Girls* COMEBACK

It's been far too long since California dancer Pele has graced these pages. Five years, in fact. But in that half-decade, plentiful Pele hasn't lost an inch of her abundant body. In fact, she gained 10 whole pounds! "Since I was in *XL Girls* in 1999, I got married, quit dancing, got divorced and started dancing again," Pele said. "I guess you could say I'm back where I started from." And we have her now-ex-husband to thank for her return. "At first, he told me he loved my curves and huge boobs," she said. "Then he started pestering me to lose weight. I starved myself so bad that one day, I passed out at the gym. I was down to 122 and looked like hell. Finally, I told him, 'Fuck off. I'm a big girl, and I like it. I'm not going to be a skinny bitch for you.' So I kicked him to the curb." Which is where the fucker belonged.

"If a man can't love all of me, there's no way he's getting my panties off."

It's amazing how many men blow it when they get a chance with a BBW like Pele. "At first, I was so upset, I couldn't eat and I lost more weight," she said. "Then I started dancing again and feeling better about myself. The more I danced, the better I felt. The better I felt, the better I ate and the more weight I put on. The more weight I put on, the more money I made!" Despite getting burned by an asshole, Pele isn't bitter. "I love men," she said. "If they appreciate and love me, I promise them the ride of their lives. Life is too short to hold grudges. I want to live. I want to fuck!" So, it's up to us, guys. Let's prove to Pele that we wouldn't want her to lose a single pound.

Debi Lee

A bonus visit with an *XL Girls* classic plumper.

Here's an overdue look at one of our favorites. She's Debi Lee, a real-estate broker from London, England who tore up the end of the 1990s with her H-cup naturals and sexy smile, which merely hints at the wanton sex goddess she is. The proof is in *XL Xtra #1*, in which Debi Lee makes a rare hardcore video appearance and gets fucked by a guy who's big enough to handle her. But don't take our word for it. You can order the DVD on page 19.

more subtle is in order, and a great selection can be found at Lane Bryant, a clothing store expressly for lovely big girls. Lane Bryant has stores in most malls and a great website at lanebryant.charmingshoppes.com. Think slinky, like their lace-trim satin babydoll set, which comes in ruby red or disco blue and retails for around \$30.

FOOD

You cannot go wrong with gourmet chocolates, like Godiva. They're not as expensive as you might think. They're carried in department stores, their own shops and on-line, for as little as \$11, and you can score a small box of treats that will help you score, too! Again, be aware of her tastes. If she hates cherries, chocolate-covered ones aren't going to help you get your wick wanked. Although she'll be pleased you tried.

TOY

Sprinkle rose petals all over her bed or her bath. You can buy dried ones by the cupful at onepassionplace.com, which also offers Body Butter for only \$6.95. This edible cream comes in creative flavors like peaches and cream or passion fruit and is an imaginative alternative to the usual chocolate body paints. Explore the site. It offers a selection of sexy gifts along with tips on how to use them.

DATE

The best thing about seducing a Sentimental Sweetmeat out of her undies is that, for this gal, the thought really does count. Sensitive—and inexpensive—efforts work just as well as champagne and caviar.

Try a late-night indoor picnic. Spread a checkered tablecloth on the floor, pour some cheap bubbly into plastic cups and hand-feed her a roast chicken dinner you picked up for next-to-nothing at the supermarket deli counter.

You don't even have to shop to play some mood music. You know, the one you can't stand. Unless you're incapable of fucking to anything but speed metal, you'll have no problem ignoring the tunes while your ears are buried between her lush boobs.

And there you have it. Seduce your BBW this Valentine's Day and get laid for the rest of the year. 

You GET MORE THAN A double with THIS STACKED BARTENDER.

You want happy hour? We got your happy hour right here with Denise, a drink-slinger from the Czech Republic who can stiffen your swizzle-stick faster than you can do a shot of Jack. "I dress to hide my breasts during the day," she said. "But when I get behind the bar at night, I wear the tightest shirts and shorts possible. It helps with the tips." No doubt, those tits deserve a massive gratuity. "My trick is to lean over and let my boobs rest on the bar right in front of the customer. Sometimes, I even let them stick money down my cleavage."

"I've always had a split personality. Good girl during the day, very bad girl at night."

If you passed Denise on the street during the day, you might not even notice her. "I live in the neighborhood I grew up in, and every old lady on the street knows me," she said. "I don't want to upset my family, so I dress conservatively when the sun is up. But at night, I go crazy. I only have sex with men who have their own places, since I still live with relatives and probably will until I get married. But I'm not ready to get married yet. I'm having too much fun." One of the men Denise picked up at her bar, an *XL Girls* reader from England, convinced her to pose. "He said he never got fucked so good by any woman as he did by me," she said. "He said it was a shame not to share myself with the world. So I did." Thanks, guy. Whoever you are.

HE NEVER WANTS TO GO BACK TO
BEING WITH A SKINNY WOMAN."**

It's Denise's mission to convert as many men as she can. "Can a skinny woman wrap her tits around a cock?" she said. "Can you get lost in her ass when you fuck her from behind? You can do that with me. And for the men who I can't fuck, I hope they jerk off to my photos."

60 guys. We're not sure exactly how many there were but I did the whole Mandingo Club, a group of Latin men, in New York. It was in a motel, and I did them all. We took some photos and video for my website, but I didn't get paid for it or anything. It wasn't anything professional.

XL Girls: Fifty or 60 guys! All in your pussy, your mouth, a combination?

SAMANTHA: Everybody was in my pussy eventually, but I was also sucking cock. No anal.

XL Girls: When was that?

SAMANTHA: Three years ago.

XL Girls: Have you done anything like that since then?

SAMANTHA: Oh, I've done plenty of gang bangs since then, just not with that many people.

XL Girls: Did you like it?

SAMANTHA: I'd do it today if I could.

XL Girls: What was so great about it?

SAMANTHA: Oh, it's just so much fun to be gang banged! You should try it.

XL Girls: Tell us about your very first gang bang.

SAMANTHA: My first gang bang was on video. It was a modest eight people.

XL Girls: How often do you get to do gang bangs?

SAMANTHA: I like to do it at least twice a month, usually. I don't consider it a gang bang unless it's five or more people. Anything less than that is just group sex, just regular swinging.

XL Girls: What is it about gang banging that you like so much?

SAMANTHA: I like being the center of attention. I also enjoy having fun with a lot of people.

XL Girls: Are you hard to satisfy and need that many guys?

SAMANTHA: No. I like to fuck. I've done porn, but I do a lot of regular swinging people, too.

XL Girls: If a guy is with you, one on one, should he just treat you like a normal woman and have normal sex?

SAMANTHA: Yes. I prefer missionary because you can suck my tits. I'm also a fan of doggie style.

XL Girls: You don't go on top?

SAMANTHA: I can do that. I don't mind getting on top at all!

XL Girls: What don't you like?

SAMANTHA: I'm not into S&M. I'm not into dirty or illegal things. I'm not a big

fan of anal.

XL Girls: Is there anything you haven't done that you'd like to?

SAMANTHA: Yes, I'd like to do a 30- or

40-man bukkake. Any volunteers?

XL Girls: All those men at once cumming on your face?

SAMANTHA: Yep!

XL Girls: How many bukkakes have you done?

SAMANTHA: None. The closest thing I've done is in a gang bang, having people cum on my face. I've never been in a circle and had people cum on my face.

XL Girls: How come?

SAMANTHA: I don't know. It just never gets done. Maybe it's just where I live in Pittsburgh.

XL Girls: You live in a very conservative area. Speaking of which, since you live in this very conservative area, how do you dress when you go out? I'm not talking about when you go out at night, but when you go food shopping, to the mall, whatever.

SAMANTHA: I do kind of dress slutty. I have a collection of plaid schoolgirl-like skirts I wear with low-cut blouses and stockings. I

also like wearing micro-mini dresses, and I don't wear panties, so I have to be extra careful bending over.

XL Girls: Do you like it when people

check out your tits? Does it annoy you?

SAMANTHA: Oh yeah. I've never had a problem with it. I enjoy it.

XL Girls: I've asked a lot of big boob models that because a lot of men don't understand it. With some women, if they're wearing a tight shirt that shows a lot of cleavage and a guy checks them out, they seem annoyed.

SAMANTHA: That's stupid. That's like being dressed in a chef's uniform and getting irritated when someone asks you if you know how to cook. If you're dressing like a slut, you want people to look at you like you're a slut! If you don't want people to admire your body, then you need to dress conservatively. If you're a conservative person, it's your fault for not dressing right.

XL Girls: The slut word. You use it a lot, don't you?

SAMANTHA: Oh, yeah. I'm a slut!

XL Girls: A lot of women don't like that word. They find it offensive.

SAMANTHA: I don't find slut offensive. I find whore offensive.

XL Girls: What's the difference?

SAMANTHA: Well, a whore gets paid. Not that I don't get paid for some of the stuff I do, but whore sounds cheap. I think of someone getting \$20 in an

alley. I don't like it because it cheapens you, where slut means you're out having a good time, just slutting around.

XL Girls: It sounds to me like sex is the center of your life.

SAMANTHA: Damn near.

XL Girls: So you're damn near always thinking about sex. Does that mean you're always horny?

SAMANTHA: Yeah. Besides all the sex I have with partners, I masturbate several times a week. I have a massive assortment of toys I like to use. I usually download some nice porn videos and use a vibrator on my clit.

XL Girls: What's the wildest sexual thing you've ever done, besides that gang bang with 60 men.

SAMANTHA: Oh, there's a lot of things! Sex outside, on the porch, inches from people. I've done it in the dugout of a baseball field. I once had a cop catch us when we were outside doing it for the website. We found this little quiet place, and the next thing we knew, a cop pulled up looking for kids drinking booze. So we're brought into his patrol car because I'm nude, and I'm talking to this police officer with cum on my face! But he was more interested in if we were doing drugs! We explained what we were doing, and he said, "Give me your camera, and I'll delete it." But he only deleted one picture because he didn't understand the camera. Then he told us not to come back and sent us on our way. I've had sex in a college parking garage. Actually, what happened was, he came on my face, then I walked three stories down the stairs with cum all over my face.

XL Girls: So we could get you to walk into a bank with cum on your face?

SAMANTHA: Hell yeah, I'll walk into a bank with cum on my face. I'll even walk up to the teller and cash a check!

XL Girls: Sounds like hanging out with you is a non-stop sex party!

SAMANTHA: Well, it can be. There's not a lot I don't like to do.

XL Girls: How did you like posing?

SAMANTHA: I can't believe how wet it got me! I mean, I'm used to people looking at me on my website and stuff, but to actually be naked in a magazine, that seems more concrete. And more exciting! I just hope a lot of guys get off looking at me.

XL Girls: No doubt they will. And maybe you'll come back and show us more of your tricks?

SAMANTHA: I'd love to! Any time! **XL**

Back by popular demand, THE EXQUISITE EVZENIE

Yeah, it sucks that yet another issue of *XL Girls* is coming to an end, but what better way to say goodbye than with an encore appearance by one of 2003's hottest newcomers, the lush, curvy, super-plumper Evzenie. This year, the ravishing redhead is in the running for Model of the Year, and these pictures amply illustrate why this plus-sized package of womanly goodness made such an impression on many connoisseurs of curvy babes. Luckily, Evzenie wanted to come back to *XL Girls* almost as much as we wanted to see her get naked again. And here she is!

EVZENIE

**"I'M DATING NOW
MORE THAN EVER,
BUT I'M STILL A
GOOD GIRL."**

A hairdresser by profession, Evzenie's still wielding the scissors. And, incredibly, she still doesn't have a steady boyfriend, leaving us to wonder just what the hell is wrong with those guys in the Czech Republic? Evzenie tells us that while she's beating the guys off with a stick, none of them are man enough for her. "I don't sleep with anyone before I get to know them," she said. "But once I get to know you, watch out!" What exactly should we be watching out for, Evzenie, besides your miraculous boobs and plush rear end? "I have a lot of appetites, and sex is one of them. When I'm in a relationship, I like to fool around a lot, starting with oral sex and ending up going all the way." And what a way to go! Imagine getting lost between those impressive HH-cups. Not to mention what you could do with her huge ass!

**"SINCE I POSED FOR *XL Girls*,
I'VE BEEN WEARING TIGHTER
CLOTHES WHEN I GO OUT. I'M
STARTING TO LIKE THE STARES."**

Which is why we've always said that *XL Girls* does more for plump, beautiful women than all the Queen Latifahs in the world. "I used to be shy about my breasts," Evzenie said. "But now that I know that so many men appreciate them, I feel more comfortable showing them off. Before, I wore shirts that covered up my body. They weren't very flattering. Now, I don't mind when men stare." So go ahead, take a good, long look. Evzenie wants you to.

Radka

LAST ISSUE, Radka said she likes it doggie style. Now, she's back to prove it.

When we last saw Czech newcomer Radka in *XL Girls* #107, she told us that she had only fucked two men before she met her husband. *Hmm*, the powers-that-be at your favorite big-girl magazine thought. *Perhaps she's ready to increase her screwing stats?* Couldn't hurt to ask. And it turned out that Radka was ready, willing and able to offer her ample ass in a raw, no-holds-barred sex-travaganza just for your viewing pleasure. We're proud to say that we were there when Radka took on number four!

"My husband was watching me the whole time I fucked this guy in front of the camera."

Apparently, *XL Girls* changed Radka's sex life.

"Before my pictures were printed, everything went on like normal," she said. "But when I received my copy of the magazine at home, it got crazy! First, my husband got so turned on, he turned into a sex maniac. Practically every time I walked into the room, he grabbed me and started pawing at my tits and ass. We fucked in the kitchen, the living room, the bathroom, outside, and even in the car. He was lust-crazy. Then it got wilder." If Radka was a tease, she'd have stopped right there. But can you really call a woman who happily spreads her pussy lips open wide to welcome a stranger's cock a tease? Can you call a woman who stares into the camera as she eagerly opens her mouth to accept a hard prick a tease? Of course not. Radka continued, "My husband started showing my pictures to his friends. After they got over the shock, they told him how lucky he was. That's when he started saying I should pose for more pictures. But I wanted to do more. I haven't been with many men other than my husband, so I started hinting that I'd like to fuck another man on camera. I kept at it until he was the one who suggested I do it! But he told me I could do it only if he could watch."

**"I WAS NERVOUS
fucking A STRANGER
UNTIL I felt his cock
DEEP INSIDE OF ME."**

Radka's hubby's friends were right. He *is* a lucky man. This rent-a-stud got to fuck her. We get to look at her and jack. But hubby's the one who gets to go to bed with her and do her every which way. Every night.

The generously-endowed Nikki Santana is a very classy lady. Walk into a club with her on your arm and you are definitely the man. But get her behind closed doors, and all that ladylike attitude disappears and a wanton, cock-lovin' hornster emerges. That's the Nikki you'll see on *XL Girls Xtra #4*. She admits she loves to suck dick, and while her blowjob skills are first class, it's really the way her impressive 44-30-38 figure handles a good pounding that will make the biggest impression on your johnson. But don't blow your load just yet.

HAYDEN

There are a total of five super-sized sex queens on this video, and Joy and Nikki were just the appetizer. The rest of the meal features the outrageously raunchy newcomer Frenchie, a buxom super-plumper with an insatiable hunger for cock; lusty Lenka, one of those brick-shithouse-built Czech babes you've heard so much about, and Hayden, a 170-pound plumper who lives to get pounded by hard man-meat. Along with Joy and Nikki, that's almost a ton of hot, wet womanhood spreading, sucking, fucking and cumming in over 100 minutes of hardcore action. So pull your seat up to the table, grab your remote control and chow down!
